

# Choose Life 2013

This content is for your parishioners, parish newsletters and websites to assist in promoting the Church's position on the sanctity of unborn human life.

## Church Teaching

"If we abandon the principle which teaches that innocent human life is inviolable, which is to say, that it is sacred and must be protected by law, if we relinquish that principle, and begin to allow for the deliberate and direct destruction of human life, what basis will we have to object when the situation shifts further and other categories of vulnerable human beings are under threat? We will have none or very little, because we will have sacrificed the foundation, the basis, the principle: every human life is to be respected, because it is of inestimable value. This recognition is at the origin of every human society and community. It is not *per se* a religious truth; it is a human truth" - Archbishop Charles J Brown, Apostolic Nuncio to Ireland, 7 July 2013.

## Abortion Legislation

In recent days bishops have sent a briefing note to deputies and senators on the 'Protection of Life During Pregnancy Bill 2013'. The briefing note highlights flaws in the abortion bill and explains that it:

- will fundamentally alter the culture and practice of medical care in Ireland;
- accepts the premise that abortion is an appropriate response to suicidal ideation; and,
- creates serious moral, legal and constitutional conflicts in the area of freedom of conscience and religious belief.
