## Bishops' submission to Citizens' Assembly on Eighth Amendment

*Two Lives, One Love*, is the title of the submission of the Irish Catholic Bishops' Conference to the Citizens' Assembly on the topic of the Eighth Amendment of the *Constitution of Ireland*. Some key points from the submission include:

- We believe that human life is sacred from conception until natural death and that Article 40.3.3 reflects the appropriate balance of rights.
- There is no such thing as a human life without value.
- The deletion or amendment of Article 40.3.3, would serve no purpose other than to withdraw the right to life from some categories of unborn children. To do so would radically change the principle, for all unborn children and indeed for all of us, that the right to life is a fundamental human right.
- Many thousands of Irish people are alive as a direct result of the enactment of the Eighth Amendment, who might otherwise never have been born.
- We believe that every unborn child, irrespective of his or her medical condition or the circumstances of his or her birth, has the right to be treated equally before the law.
- Where a seriously ill pregnant woman needs medical treatment which may, as a secondary effect, put the life of her baby at risk, such treatments are always ethically permissible provided every effort has been made to save the life of both the mother and her baby. Abortion, by contrast, is the direct and intentional destruction of an unborn baby and is gravely immoral in all circumstances. It is not a medical treatment.

## Bishops' Ad Limina visit to the Holy See takes place this month

Members of the Bishops' Conference will travel to Rome from 15 to 25 January for their *Ad Limina* visit to the Holy See. The bishops' pilgrimage will include an audience with Pope Francis, meetings with senior members of the Roman Curia and visits to a number of holy sites. The bishops' pilgrimage is historically known as the *Ad limina Apostolorum* visit – or “to the threshold of the Apostles” – a reference to the pilgrimage to the tombs of Saints Peter and Paul that all bishops are required to make, and this normally takes place every five years. The last *Ad Limina* visit by the Irish bishops was in 2006.

## New Parish Resource Pack for World Day of Migrants and Refugees

The Council for Immigrants of the Bishops' Conference has produced a helpful parish resource pack for use on the World Day for Migrants and Refugees on Sunday 15 January 2017 and throughout the year. The resource pack includes the text of Pope Francis' message for the World Day of Migrants and Refugees on the theme 'Child Migrants, the Vulnerable and the Voiceless'.
